

July 16, 2020

Dear DCSC Parents and Guardians,

Thank you for your patience as we worked to complete the Danville Community School Corporation 2020-2021 School Year Planning Guide. This document was created with guidance from the Centers for Disease Control and Prevention, the Indiana Department of Health, the Indiana Department of Education and the Hendricks County Health Department. We have worked with teachers, support staff, directors and administrators to compile a comprehensive plan that includes preventative measures, details on instruction, policy changes, response protocols for positive cases, as well as additional information on facility use and extracurricular policies.

**Your feedback is extremely important to us. We know that student safety and success depends greatly on the partnership between you and our schools. Please review the attached DCSC 2020-2021 School Year Planning Guide before taking the DCSC Parent/Guardian Reentry Questionnaire. The questionnaire is open from July 16-24.**

The DCSC Parent/Guardian Reentry Questionnaire can be found and completed at: <https://forms.gle/pNymsMJrPmjH4YhG7>

We fully expect these plans to evolve and adapt over time as further guidance becomes available. **Additionally, please note that this guide is for the district as a whole and each school will be providing more detailed information on how these changes will impact their daily activities in the coming weeks.** Since our kindergarten students have different needs than our senior students, North Elementary's implementation of these guidelines will look differently than those at Danville Community High School.

Parents and guardians wishing to have an online education option (DCSC Online) in place of in-person education are required to submit their request by July 24, 2020. These requests may be made to our Director of Academic Services Mrs. Morgan Walker via email at [mwalker@danville.k12.in.us](mailto:mwalker@danville.k12.in.us) or via phone at the Administration Office at 317-745-2212. Online learning options will be dependent upon the amount of interest per grade level and will be announced on July 31, 2020. Those that indicated interest in DCSC Online will be contacted separately with enrollment details. **Additional information on the DCSC Online program will be emailed to all parents and guardians separately today.**

In spite of the challenges facing us, we are excited to welcome our students back to begin another successful school year. Danville Warriors are IN THIS TOGETHER!

Thank you,  
DCSC Administration
