

Registration

To register, please complete the attached registration form and mail along with the \$25.00 fee to:

Tribe Tech Robotics
Danville Community High School
100 Warrior Way
Danville, IN 46122

All students will participate in the initial design of the robot. Students will then specialize in programming, design construction/documentation, or driving the robot.

Registration will remain open until teams are filled. Space is limited.

Tribe Tech Robotics and Danville Middle School will be sponsoring robotics teams at the middle school. These teams will be competing in the Vex IQ Challenge contest in Indianapolis this February. Space is limited and students will be selected on a first come first served basis.

Teams will meet at the middle school on Mondays and Thursdays from 7:30AM to 8:25AM. Parents will need to provide transportation. Bus service will not be available to transport students to school.

INTRODUCING VEX IQ ROBOTICS TEAMS FOR STUDENTS IN GRADES 5-8

Sponsored by the:

Danville
High School
Robotics Team

(317) 745-6431

Robotics Teams

Robotics teams will meet on Mondays and Thursdays before school from 7:30 to 8:25. There will be one Saturday help session scheduled during the build season (date to be determined). In January there will be some additional opportunities for drivers to practice. The week before the February tournament we will host an open house/robotics competition to prepare for the actual Vex IQ competition (A calendar will be distributed to students once teams are formed).

Team meetings will start on October 23rd!

VEX IQ Robot

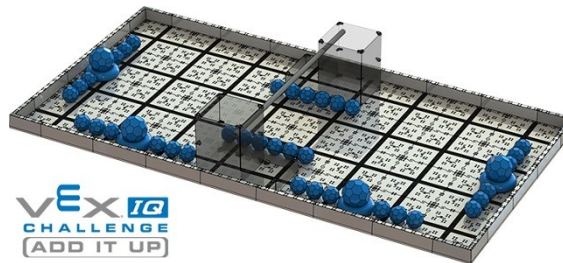

Participants will explore teamwork, collaboration, and leadership while learning to appreciate science and technology.

No prior experience necessary!

Participants will develop skills in:

- Engineering
- Computer Programming
- Science
- Technology
- Communication
- Teamwork
- Making Decisions

Students will be mentored by high school robotics team members.

Robotics Camp Registration Form
